Optional features

- : Anti tamper switch
- : Wireless RF online communication upgrade (requires online network).
- : Rental mode by activation code
- : Power outlet inside the safe

ASSA ABLOY

ASSA ABLOY Hospitality

The global leader in
door opening solutions

SPECIFICATIONS

Anti-tamper labyrinths offer higher protection against manipulation.

Spring-loaded door indicates if the door is in open or closed position, avoiding guests leaving the safe open unintentionally.

Quick battery change without having to open the safe. It saves time and money.

Solid one-piece construction enhances security and eliminates access to vital components.

Safelink

Elsafe SafeLink helps you set up and service your Zenith safe in seconds. With Zenith by Elsafe you can even print a detailed 500-event log from the safe memory.

PinKeyPLUS

Elsafe PinKey PLUS is a compact and powerful electronic PIN-code protected, non-resident master key to securely override Elsafe in-room safes. This allows for easy day-to-day safe operations.

Drop safe

With the drop safe option, the inside has a small slope in the ceiling of the safe.

Outlets

Optional internal power outlet available on the door (EURO, USA and UK).
